GOVERNMENT OF KERALA

Water and Power (Interstate Waters) Department

NOTIFICATION

No. 7097/IW3/76/W&P. *Dated, Trivandrum, 4th November 1977.*

S. R. O. No. 1018/77.—The following draft of an amendment to the Travancore-Cochin Irrigation Rules, 1958, which the Government of Kerala propose to make in exercise of the powers conferred by section 42 of the Travancore-Cochin Irrigation Act, 1956 (VII of 1956), is hereby published for general information, as required by sub-section (1) of the said section.

Notice is hereby given that the said draft will be taken up for consideration on or after 6-12-1977 and that any objections or suggestions that may be received from any person likely to be affected thereby in respect of the said draft before the date specified above will be considered by the Government.

Objections or suggestions, if any, shall be addressed to the Secretary to Government, Water and Power Department, Secretariat, Trivandrum.

DRAFT AMENDMENT

In the said Rules, in rule 7, after clause (h), the following clause shall be inserted, namely:—

"(i) Notwithstanding anything contained in clauses (a) to (h), the Collector may, at any time, revise any case on application or

otherwise, and exclude any land or group of lands which he is satisfied on the report of the Executive Engineer in-charge of the irrigation work or otherwise, is not benefited by the irrigation work, from the list of lands benefited by such irrigation work, subject to the condition that such exclusion shall be for the reason that non-enjoyment of benefit is not due to any default attributable to the person in actual occupation or possession of the land.

By order of the Governor,

V. NALLATHAMPI,

Joint Secretary to Government.

Explanatory Note

(This is not part of the Notification, but is intended to indicate its general purport).

According to sub-rule (b) to rule 7 of the Travancore-Cochin Irrigation Rules, 1958 a person aggrieved by the notice in Form C served on him by the Tahsildar may appeal to the Revenue Divisional Officer within 30 days of the date of receipt of the notice. According to sub-rule (c) of the said rule the Revenue Divisional Officer may, if it is found after considering the appeal that the lands included in the survey number or survey sub number is not actually benefited by the Irrigation work, exclude the survey number or survey sub number from the list. It is found that there are areas which are already included in the ayacut of a Project but which are not capable of being irrigated not on account of the default of the land holder but due to other reasons. There is no provision at present in the rules to exclude such lands, from the list of lands benefited, otherwise than as provided in rule 7 (b) and (c). It is considered necessary to empower the District Collector concerned to exclude such lands from the list of lands benefited. The Notification is intended to achieve the above objective.
